#### BOTH.

"America," says Mary Garden, "is a place where everything is business and money." Didn't Mary find it a place where few clothes might be worn?—Bisbee Review.

Well. Wasn't that both business and money for Mary?

THE "business administration" of Mayor Fred Busse of Chicago is exposed as having been very extravagant and expensive.

"You can't cut any wood with a hammer," asserts an exchange. Very true. But one can drive nails with that implement.

FINDING the pole has become as "stale as a twice told tale," no one cares whether Cook "beat Peary to it" or not, and all public interest in the quarrel between the two explorers has waned to the vanishing point.

#### Visiting Their Property.

There are at Llano now a number of shareholders in the Llano Copper Company who have come from Kansas City to visit and inspect the handsome property that has been developed, and to see for themselves the magnitude of the work that has been prosecuted in their interest. The party was at Nogales Thursday evening, remaining only so long as the train tarried at the station. They were in the special Pullman car Twilight, one of the most recent productions of the Pullman Company, fitted in the most luxurious style, with all conveniences and luxuries of a modern hotel, with which the members of the party are independent of dining car, hotels and eating houses. The car is side-tracked at the station and is the home of the gentlemen included in the party, which it has been since they departed from Kansas City, and will be until their return to that place. There are eighteen gentlemen in the party, and it in-

cludes those named as follows: Mr. Nate McCutchan, of Windsor, Mo., editor of the Windsor Review; H. C. Hammond and B. Reeder of Olathe, Kansas; Howard Ullman of Phoenixville, Pa.; A. M. Berry of Lamar, Mo.; Judge J. W. McIlroy of Clarksville, Mo.; Professor J. W. Crouch of La Grange, Mo.; W. M. Agee of Elmer, Mo.; C. W. Oglesby of Pilot Grove, Mo.; R. D. Stevens of Lincoln, Nebraska; Doctor A. M. McGee and Dwight McGee of Louisiana, Mo.; Judge Sears, Thomas Bryody, J. S. Hollis, Henry F. Halderman and Harry Halderman of Kansas City, Mo.; and O. D. Horner and R. D. Umphres of Springfield, Mo.

The party is chaperoned by Mr. Harry Halderman, secretary of the Llano Copper Company, and that gentleman leaves nothing undone that will contribute to the comfort and pleasure of his charge. All were in high spirits and showed that they were enjoyed the trip greatly. Returning they expect to be at Nogales tomorrow or Monday evening.

#### Church Fair.

The fair announced for the benefit of the Catholic church is well under way. It will open Monday, November 22nd at 8 o'clock, will continue Tuesday the 23rd, and terminate Wednesday the 24th, with the annual Thanksgiving dance. There will be on sale all kinds of useful and fancy articles, refreshments, etc. Also patrons will be afforded a glimpse into the future by two very clairvoyant gipsies.

#### And what else?

Reserve then your money: you cannot spend it in a more useful or agreeable manner, and at the same time help the church.

#### Post Office Rules.

Our postmaster formulates the following rules for the benefit of her patrons and that you may know what you may expect. No letters given out until they have been received. If you don't get a letter or a paper on the day you expect it, have the postmaster look through all the boxes and down the cellar also. It ought to be there somewhere and please you. If your friend don't write rave at the postmaster. She is to blame. If she tells you no put on a grievous look and say there ought to be some. She is probably hiding your mail for the pleasure of having you call for it. Ask her to look again. If you are buying stamps make her lick them and put them on, that is her business.—Winslow Mail.

#### In Honor of Mrs. W. J. Parsons.

#### A Popularity Contest.

The little girls of Nogales have admired the beautiful doll in the window of the Sonora News Co., and each one has said: "I want that doll."

#### Nothing easier!

The beautiful doll is for the most popular little girl in this city, and will be awarded the second day of the Catholic Fair to the one who has obtained the most votes. Go then to work and get from your friends and relatives all votes possible.

The conditions of the contest are as follows.

1. The contestant to be at least four years old and under ten years of age.
2. The contestant must belong to a family living in Nogales, with no distinction of creed.
3. Each vote to be accompanied by 10 cents (American money).
4. Votes to be delivered at the Sonora News Company, where they will be counted carefully and the returns published.

#### Luncheon and Card Party.

Yesterday afternoon Mrs. Ferd VanMourick entertained a party of Nogales ladies at luncheon in her new and elegant home on Marsh Heights, and later in the afternoon a larger party was entertained with bridge. The house was decorated beautifully with an abundant profusion of roses, and the effect was very charming and pleasant. The first prize, a cut glass dish, was won by Mrs. Herrera, and Miss Weeks carried away the second prize, a box of candy.

The ladies present were Mrs. W. C. Budge, Mrs. A. C. Kingsley, Mrs. Otto Herold, Mrs. M. Marsteller, Miss Bessie Fowler, Mrs. Ralph M. Parsons, Mrs. Fred Herrera, Mrs. Con O'Keefe, Mrs. W. J.
